HOLISTIC WELLNESS

The villagers of Seraya believe that the high vibrational energy of the place, the spiritual temple next to the villas, volcanic mountains and the Indian Ocean have a transformational and healing impact on the body, mind and soul. Inspired by the wisdom and knowledge of ancient cultures we have designed a holistic wellness offer that consists of delightful massages, nourishing spa treatments, yoga and crystal frequency therapy.

Our aim is to co-create a trusting connection and gently guide you through a personalized wellness program. It is a gradual discovery process that naturally unfolds - one where you will experience greater harmony of body, mind and soul through the energies and elements that lead to health and wellbeing. We invite you to enjoy a journey of pure joy, relaxation and peace of mind. Our massage therapists Rasmini, Eka and Superni are professionally trained by international and local professionals. They dedicate themselves to each massage with passion, sensitivity and awareness.

Enjoy a holistic wellness experience at Shunyata Villas Bali. If you have any questions, we are happy to answer them anytime.

All our prices are in 1000 Rupiah and are already inclusive of tax and service charge.

SHUNYATA CLASSICS

SHUNYATA SIGNATURE MASSAGE

The Shunyata Signature is a fusion massage, which seamlessly blends together various highlights and massage techniques that can be found on our wellness menu. By combining traditional Balinese techniques with firm finger and palm pressure, deep tissue work, long strokes combined with aromatherapy oils to lull the senses into a state of euphoria, this massage will guide the body and mind into a deep relaxation.

THE BENEFITS:

- ◇ relief of stress and tension
- ◇ restoring the natural flow of energy
- ◇ rebalance and harmonize the function of the entire body

60 minutes - IDR 590 K 90 minutes - IDR 790 K

TRADITIONAL BALINESE MASSAGE

The treatment of the Balinese massage, traditionally performed on the "island of Gods" has its own special way of relaxation and calmness. Initially, the use of this cure was reserved only for the Balinese and Javanese royalty. Over time, the techniques and the knowledge became accessible to the general public and could thus be used in many areas for health purposes. The modern Balinese massage is based on various massage techniques and therapeutic styles from the east of the island. By combining the best parts of each method.

THE BENEFITS:

- ◇ increase of energy flow within the organs
- ◇ improvement of oxygen saturation in the body
- ◇ release of muscle tension through gentle movements

60 minutes - IDR 590 K 90 minutes - IDR 790 K

FOUR HANDS OF BLISS

Four hands work in harmony here. Embark in the fulfilling feeling of deep relaxation. The amount of stretching and relaxation of the muscles caused by this massage technique ignites a very intense sense of touch. Time literally runs away from us in everyday life. Enjoy this precious time where you allow your mind a break and your body can fully relax.

THE BENEFITS:

- ◇ improvement of the blood circulation in the body
- ◇ strengthening body awareness for more vitality and creativity

This relaxing treatment helps to release blockages, tension and agglutination and supports the lymphatic flow. It stimulates and activates the reflex points on the back. The automatic nervous system can recover, which helps to relax and reduce stress. This massage is carried out in 3 positions: sitting (neck, shoulders, neck), supine: belly - the lymphatic reflow center) and prone: entire back.

THE BENEFITS:

- ◇ toxins from the body are removed to aid tissue regeneration
- ◇ the aging process of the body is slowed down
- ◇ the immune system is strengthened
- ◇ drainage of macromolecules (large proteins) that help to eliminate high-protein fluid from the cellular tissue
- ◇ accumulated fats are discharged through lymphatic vessels
- ◇ improvement of the lymphatic flow and supportive effect in the physical defense of chronic and subacute conditions by reducing the toxic load in the body, a significant improvement in digestive problems is noticeable

SHUNYATA WELLNESS SPECIALS

KUNDALINI BACK MASSAGE

According to the tantric teaching, every human being hides a certain power called Kundalini. It finds its place at the base of the spine and is seen in conjunction with a sleeping snake that acts as an energy center in the body (Sanskrit: Kundala "rolled up"). The powerful Kundalini energy is stimulated by a targeted massage along the spine, in the area of the pelvis, as well as the shoulder girdle and neck to make them flow. The massage also strengthens the muscles, bones and nerve tissue. Physical and mental blockages can be solved.
