

OVERVIEW

Segara Village Hotel is a sanctuary of tropical charm that recreates the ambience of a traditional Balinese community. Encompassed within a garden of native greenery, this beachfront retreat celebrates the island's unique culture and rich artistic heritage. Conceptually modern but forever Balinese, Segara Village Hotel welcomes travelers with warm hospitality that is second to none.

STAY

Guest accommodation at Segara Village Hotel includes 127 rooms in choice of different categories to ensure that personal comfort is taken into careful consideration. Each category has its own unique character and appeal. However, a similar design concept is featured throughout the property to blend modern conveniences with elements of Balinese artistry

ROOM CATEGORIES

DELUXE

Designed to capture the warmth of the tropics, this classic room category is a comfortable base from which to discover all that the island of Bali has to offer. Available in both locations village 1 and village 5, each room has modern amenities and its own private terrace or balcony overlooking the garden.

FAMILY DELUXE

The Family Deluxe is the best option for family with young kids. Located in both village 1 and 5 this unit consists of two interconnecting bedrooms and separate bathroom, sharing a large private terrace or balcony.

BUNGALOW

The bungalow category is the perfect retreat for guests seeking home comforts and conveniences during their stay on the island of Bali. Built with rare sensitivity towards the surrounding environment, this category is all about taking quality time out to unwind. Available in two styles of design building, single level bungalow and two storey bungalow, both are warm and inviting, offering guests a traditional ethnic experience upon entering the room.
