

DEEPROOTS

DIVE & YOGA RESORT

NUSA PENIDA, BALI, INDONESIA

Deep Roots Dive and Yoga Resort was created with a deep love and respect for nature and the surrounding community. Our barefoot luxury resort, located just 15 minutes from both of Nusa Penida's main harbours, is a place where you can come to reset, restore, and relax. Intimate and exclusive, it is also a place to be nurtured, find peace, and rejuvenate. Simply take off your shoes, unwind, and enjoy a refreshing cocktail as the sun sets amidst the majestic Mount Agung.

The beautiful and exotic Nusa Penida is only 25 kilometers from Bali, and 40 minutes by boat from Sanur. This spectacular island has beautiful beaches and an abundance of stunning natural landmarks, as well as some of the best diving spots in the world!

We promise to make your vacation, however you choose to spend it, one you will never forget!

Our Mountain View Cottages

Wake up to the breathtaking vista of Nusa Penida's stunning mountain and sea landscape. Designed for nature lovers and those seeking a rejuvenating getaway, these ten cottages combine rustic elegance with modern comfort. Each cottage features spacious interiors, cozy furnishings, and large windows that invite natural light, giving you the perfect connection to the surrounding environment.

Step onto your private balcony to immerse yourself in the awe-inspiring views while enjoying a cup of coffee or meditative moments before a day of adventure. Whether you're here to dive, practice yoga, or explore the island, our Mountain View Cottages provide an unforgettable stay with unmatched views and serene ambiance.

Mountain View

Nestled in a natural garden with the sound of rustling leaves above, you'll feel completely at one with the lush vegetation and clear blue skies of Nusa Penida. Rise early to greet the day as you take in the beautiful Mount Agung against the blue sky. Our Mountain View Cottage has a balcony and offers privacy, peace and comfort.

The Terrace

Bringing a fresh perspective to well-loved Balinese and international dishes by cultivating garden-to-table ingredients and transforming them with an eye toward sustainable cuisine.

The Terrace is one of the most delightful restaurant on Nusa Penida. You'll return again and again for the delicious food and the breathtaking view of Mount Agung against the clear sky. Taste your way around Nusa Penida by indulging in the dishes from The Terrace's menu and tasting our Chef's delectable creations.

The Terrace is open from 6:30AM to 10:00PM.

The Pool

Relax and rejuvenate in the natural pool while taking in the breathtaking panorama of Mount Agung after a day of exploring Nusa Penida by foot or underwater. Sip cocktails and snack on tasty bites and light meals all day long!

Deep Roots Experience

Set out on days filled with excitement as you explore both above and below the ocean's surface. The ocean's inviting depths make you want to dive right in and go for a swim among sea turtles and coral reefs. This legendary island offers a plethora of exciting Nusa Penida activities and experiences! Moments like these abound at Deep Roots. We help you create the kind of happy memories that stay with you long after you leave our shores, from day trips on land and sea to private ceremonies and curated destination dining. Let us get in touch with you to customize your vacation in Nusa Penida and begin your Deep Roots Journey.

Dive

Diving in Nusa Penida is truly an amazing experience due to the beauty of the coral reefs on offer and the variety of marine life such as Manta Ray and Sea Turtles. Try scuba diving for the first time or dive again with a SSI instructor and team of instructors.

Dive into the pristine waters of Nusa Penida and play with the Mola Alexandrini, also known as the Giant Sunfish, and the Manta Ray, two of the ocean's most well-known inhabitants.

Explore the fascinating Indian Ocean from a new perspective with Deep Roots. Sea you there!

Our in-house diving centre is open from 7AM to 7PM.

Yoga

Nothing is more therapeutic than yoga surrounded by greeneries. At Deep Roots, our guided yoga classes have something for everyone, whether you want to build strength, find some softness in your body, or just exhale deeply to feel a little bit better. Deep Roots' open-air yoga shala is tucked in among luscious gardens. It is the perfect setting for private and group yoga classes.

Daily yoga classes are on offering at our yoga shala. Rise & Shine Vinyasa Flow starts at 8AM, and our Wind Down Yin Restorative begins at 5PM.

Spa

We begin with your breath in this holistic approach to healthy and happy living as we work towards nurturing the body to reset, restore, and relax the soul, all without leaving the privacy and comfort of your room. From your cottage, you can see a Neem tree just outside the Deep Roots yoga shala, whose leaves and bark have been used in Ayurvedic medicine for centuries. Its extracts are used in everything from topical creams for acne and skin care to pharmaceuticals for wound care and pain relief, earning it the name "God tree" for its curative and regenerative abilities. This wonderful gift from Mother Earth inspired the names of our spa services. RESET. RESTORE. RELAX your body and mind as you begin your spa and wellness journey with The Spa at Deep Roots. Our Spa operating hours is from 10AM to 7PM.

LOCATION

The beautiful and exotic Nusa Penida is only 25 kilometers from Bali and 40 minutes by boat from Sanur. This spectacular island boasts of beautiful beaches like Diamond Beach and Crystal Bay, an abundance of stunning natural landmarks such as Kelingking and Angel Billabong, and an epic local temple inside a cave you can crawl into. Nusa Penida is also home to the most vibrant diving sites and marine life in Bali!

FACILITIES

DIVE CENTRE

Take a stride from the deck and straight into the pool, or study for your next course immersed in lush gardens. Our team is comprised of SSI instructors offering an extensive range of SSI diving courses with flexible training methodologies, making sure you become the most successful diver you can be. Our gear is punctually serviced by our trained team, and we are also the first dive center on Nusa Penida to fulfill the conditions of a BAUER PureAir Silver Station. Come take your next plunge in the ocean with us aboard our own boat Soulshine.

YOGA SHALA

Deep Roots Yoga Shala is an open-air space with the stunning view of Mt. Agung. Set in a lush green scenery, and with the sound of the birdsongs, our shala takes practitioners to a journey of self-discovery, mindfulness, and holistic well-being. Intensive yoga retreat programs are also available to those who seek to deepen their practice.

THE TERRACE

Our unique restaurant gets its name from the cassava terraces that it's built on, and we have done a pretty good job of preserving this piece of local heritage. A garden-to-table style is practiced by our in-house farmers who have been cultivating these lands for generations. Enjoy an exquisite dining experience at The Terrace. Come dine with us and unwind with a signature cocktail as time simply sips by. Savor every bite while taking the breathtaking view of Nusa Penida Island.

SPA

Our spa offers wellness massages, facial therapies, and ritual packages as a soothing experience for your mind, body, and soul. Our expert therapists will tailor your sessions based on your preference so you can experience the transformative power or relaxation through a combination of traditional and innovative approaches. To show our respect and love for Mother Nature, we only use all-natural ingredients. Discover spa and go on a wellness journey like never before!
