

PROPERTY OVERVIEW

Shore Amora Canggu is an edgy lifestyle resort that boldly reinterprets traditional Balinese hospitality design by taking local creativity to the next level. It is essentially a fusion of different aesthetic elements intended to inject fresh energy into a popular tourism area where verdant rice terraces meet the sea. The resort is all about bringing like-minded people together who share the same values and enthusiasm for life.

Designed to encompass its own in-house rice field, Shore Amora Canggu covers a prime piece of landscape that is within easy walking distance to Pererenan Beach. Accommodation extends to a collection of contemporary rooms and villas supported by high-end facilities. It is a place to unwind and recharge without having to disconnect from the technology that drives today's modern world.
