TIDAL JOURNEY

Inspired by the flow of the ocean tides our wine list mirrors the natural progression of the sea from calm, gentle waves to powerful, intense surges. Each journey features a selection of wines, beginning with lighter, more delicate options and culminating in robust, full-bodied varieties.

MAIN THEMES:

THE CALM TIDE - light, crisp, and refreshing wines that reflect the gentle ebb of the ocean. These wines are perfect for pairing with our lighter seafood dishes, such as ceviche, oysters, and fresh salads.

THE RISING TIDE - as the tide rises, we move into more complex and medium-bodied wines. These selections are well-suited for pairing with richer seafood dishes like grilled fish, seafood pasta, and shellfish.

THE HIGH TIDE - experience the full force of the ocean with our selection of robust and full-bodied wines. These wines are designed to complement hearty seafood dishes such as lobster, tuna steak, and seafood stews.

CATEGORIES OF WINE WITHIN THE LIST
