Petanu Butterfly 180

A graceful blend of earth's colour and calm, it captures the soul of the riverside breeze and blooming nature above the Petanu River. This vibrant drink gets its creamy white hue from juicy lychee, its golden sparkle from spiced ginger beer, and its enchanting purple from gin gently infused with telang flowers, picked and steeped with care.

This drink is inspired by the beauty that surrounds us — floral, refreshing, and just the right touch of wild.

Jingga Bali Pomelo 180

Lively, zesty, and kissed by the Balinese sun, it celebrates the fruits of our land. At its heart is the native Bali pomelo — the largest of the citrus family — offering a refreshingly sweet and subtly floral note. We pair it with East Indies Bali Pomelo Pink Gin, a splash of orange cordial, and our homemade ginger soda. Effervescent and cooling, it's just the thing for a warm afternoon by the Jingga pool, when the day stretches out and the earth is full of light.
